

MARCH NEWSLETTER

Dear Parents and Caregivers:

We hope this message finds you and your family in good health and high spirits. As we continue to journey through the school year, we would like to take a moment to share some updates within our school.

Career Exploration:

On Monday, March 3rd, our Senior students had the exciting opportunity to attend the Work BC FindYourFit event. This hands-on, interactive event allowed students to explore a variety of career options and gain valuable insights into different fields. It was a fantastic way for them to begin thinking about their future career paths and to discover their interests in a practical and engaging way. We hope this experience inspired many of our students to consider various career opportunities and set personal goals for their future endeavors.

Chief Willie Sellers Book Tour Update:

We regret to inform you that Chief Willie Sellers' book tour scheduled for March 10th was cancelled due to road conditions. We are currently exploring options to rebook the event at a later date.

Report Cards:

Report cards for Elementary and Junior students (Grades K-7) will be sent out in the mail this week. Please keep an eye out for your child's report card, which will provide valuable insight into their progress and achievements this semester. If you have any questions or concerns regarding the report card, please do not hesitate to reach out to your child's teacher.

Frying Bannock to make Bannock Tacos.

Spring Break: March 17th-28th 2025.

We would like to wish all our students and their families a safe and joyous Spring Break! We hope you enjoy this time to relax and recharge. We look forward to welcoming everyone back to school on March 31st, 2025.

Sincerely,

Ms. H. Wight
